SHOES

TERE'S our "brogue" No. 440-a wear shoe that doesn't yield a point when you judge it for good looks. Calf in the handsomest mahogany tone, eyelets of brass to bedeck it! fancy wing tips and solid soles will first catch your eye. You'll approve of the ornamental perforating and fancy stitching, too. And our trade-mark on the sole assures you that we are constantly bettering our sixty-odd year record for fine shoes.

WHAT'S WHAT

AIN'T IT A FACT

About half the people in the world go stumbling along, fretting and warrying over troubles, which, with a little figuring can easily be avoided. The biggest source of worry to an automobile awner is that of tires

Now comes the Tonopuli Machinery Company with a plan to wipe out all this unnecessary grief for you by sumply furnishing you with Brunswick tires under the positive assurance that every tire purchased from us will make you satisfied.

Think it over Isn't it great to even con template that somehody is going to make you the judge of what your tires should do for you. We've heard that we're going broke to bug to made this statement good. All you need to know is that the Brunswick-Balk-Collemns to has followed this policy for 7 years and they have builded up one of the greatest institutions in the world, and they behind this guarantee,

thome in and look us over- We'll satisfy
